Seventh Sunday in Ordinary Time Weekend of February 18 / 19

In this last Sunday before the beginning of the Lenten season, the gospel depicts Jesus continuing his healing ministry. A paralytic is placed on a pallet and lowered through a roof in order to get near Jesus. Jesus rewards the man's trust in him by forgiving his sins first and then healing his physical disability. Jesus makes a connection between spiritual healing and physical healing, and in doing so, proclaims the kingdom of God in a unique way. In what unique ways, given the divine gifts bestowed on us, have we proclaimed the kingdom of God?
