Stewardship

Second Sunday of Easter (Divine Mercy Sunday)
Weekend of April 26/27, 2025
In today's first reading from the Acts of the Apostles we hear it proclaimed that many "signs and wonders" were performed in public by Christ's followers, a demonstration that produced two results. First, the people of Jerusalem outside the Christian community were awed by what the disciples were performing. And in the midst of all this amazement, many were being converted. Good stewards know of the evangelizing power emanating from their daily acts of love, compassion, kindness and generosity. They believe that if they stay focused on Christ each day, every act has the power to transform a broken world. What "signs and wonders" will we perform today?
