 Thirty-Third Sunday in Ordinary Time
November 14/15, 2020
In today’s Gospel, Jesus delivers the parable of the talents; using the example of money rather than abilities or skills. It’s a story about investments, risks and returns. Stewards under-stand that God has given them an abundance of spiritual gifts. They know God doesn’t want them to simply receive these blessings and bury them in fear, but to multiply them; to use these gifts to serve Him and others; to spread Christ’s Good News; to go and make disciples of others. Good stewards invest what God has given them in the service of others and are prepared to render an account when the Lord returns. Reflect this week on how you are returning your own God-given gifts back to God with increase.

Prayer to Mary During the Coronavirus Pandemic
Our Holy Father, Pope Francis
O Mary, you always shine on our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who at the cross took part in Jesus’ pain, keeping your faith firm. You, Salvation of the Roman People, know what we need, and we are sure you will provide so that, as in Cana of Galilee, we may return to joy and to feasting after this time of trial. Help us, Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who has taken upon himself our sufferings and carried our sorrows to lead us, through the cross, to the joy of the Resurrection. Amen.

Prayer for a Spiritual Communion
St. Alphonsus de Liguori
My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

Natural Family Planning (NFP) is a science-based approach to understanding fertility. The knowledge obtained from learning how to identify and interpret the body’s fertility signs empowers couples to live their vocation to the fullest in harmony with God’s plan for married love. NFP is a healthy choice because it respects the body’s natural cycles and can help a couple successfully postpone pregnancy without the risks and complications of hormonal contraceptives. More than that, NFP can be incredibly valuable for couples carrying the cross of infertility who wish to conceive. Nathan and Elizabeth Hoxie are certified Couple to Couple League International teachers and offer several different courses (main series, postpartum, perimenopause, and mother-daughter).
